CELEBRATING COURAGEOUS WOMEN IN LEADERSHIP

As we move into 2021, Southern California is going to need diverse, equipped, compassionate leaders across all industries to work toward recovery from the COVID-19 pandemic and to advance racial and social justice. Your ticket purchase for this event helps to advance SCLN's mission and contributes to scholarships for under-represented emerging leaders, giving them the opportunity to gain the skills, knowledge and network to successfully achieve professional and civic leadership roles and drive change in their communities.
